BID RELEASE 7

Subject to conditions prescribed by the undersigned, sealed bids for a Prime Trade Contract are invited for the following Work:

Project Name: UCSB San Clemente Student Housing

University Project No.: 986497

University of California, Santa Barbara
Santa Barbara, California 93106

The San Clemente Student Housing project will be constructed by multiple prime trade contractors, each working under a separate contract or contracts with the University. This procurement is for a prime contract to perform a bid package of the project listed below. The contractor who is awarded the contract will be referred to as a "Prime Trade Contractor."

As described in more detail in the bidding documents, significant features of this multiple prime contract method of constructing the project are as follow:

The University will award separate prime trade contracts to the various trades necessary to construct the entire project. The Prime Trade Contractor will be required to work at a project site shared by the Prime Trade Contractor and the other contractors hired by the University, to cooperate with such other contractors, and to coordinate its work with the work of the other contractors.

The Prime Trade Contractor will be required to perform its work in accordance with a Master Project Schedule to be developed, updated, and maintained by the University Representative after award of the Prime Trade Contract. The Prime Trade Contractor will be required to provide specified scheduling information necessary for the development, updating, and maintenance of the Master Project Schedule by the University Representative.

The Prime Trade Contractor will be required to commence its work on or after April 27, 2009.

The Prime Trade Contract must be fully completed on or before June 30, 2009.

The Project to be constructed by the Prime Trade Contractor and other contractors working under agreements with the University consists of the San Clemente Student Housing apartments project which replaces the south portion of an existing university play field. The project is bounded by El Colegio Road on the south between Los Carneros and Stadium Road. To the north is Storke Field. The project has 977 bedrooms in 327 units with a mixture of four, two and one bedroom units. The majority of the construction work on the Student Housing Apartments has been completed and occupied.
