(Job Order Contract)

Subject to conditions prescribed by the University of California, Santa Barbara (“University”), sealed bids for a Job Order Contract are invited for the following work:

PROJECT NAME: Job Order Contract – Hazardous Material Removal and Demolition

PROJECT NUMBER: FM130562-JOC

DESCRIPTION OF WORK: Perform friable asbestos abatement, non-friable asbestos abatement, lead-related construction tasks, clean demolition of building components and general demolition of building components. Contractor will be performing work in both occupied and un-occupied buildings.

JOC will only be used to support larger construction projects that have a total estimated cost of work equal to or in excess of \$50,000 and have an asbestos containing material, Pb containing material and/or water damaged material removal component as part of the overall construction of the work (“Hazardous Work”). This JOC is to be used when the Hazardous Work can be treated as a stand alone component of the overall project.

The minimum amount for an individual Job Order is \$50,000. The maximum Job Order Contract amount for all Job Orders during the course of the initial one-year contract term is \$200,000, with two separate one-year options, if exercised, for \$200,000 each. The annual Job Order Contract amounts are not cumulative.

BIDDER QUALIFICATIONS: To be allowed to submit a bid, bidders must have the minimum experience set forth in the Bidding Documents. Bidders shall submit their qualifications on the form provided by the University as an attachment to the Bid Form.

The evaluation is solely for the purpose of determining bidders who are deemed qualified for successful performance of the type of work included in this project. The contract will be awarded to the qualified bidder submitting the lowest responsive bid.

The University reserves the right to reject any or all responses to Qualification Questionnaires and any or all bids and to waive non-material irregularities in any response or bid received. All information submitted for qualification evaluation will be considered official information acquired in confidence, and the University will maintain its confidentiality to the extent permitted by law.

GENERAL INFORMATION: Construction/Bidding Documents will be available to prospective bidders on ~~July 30, 2013~~ August 9, 2013 via electronic download from the University’s online planroom at <http://ucsbplanroom.com/>. Once registered on the UCSB planroom site, prospective bidders may view and/or download Construction/Bidding Documents for free, or purchase a hard set copy from CyberCopy for a non-refundable fee of the actual cost of reproduction.
