RFQ Number: FM240393

Project Name: San Benito Student Housing Structural Design Peer Review Services

Background & Introduction: The University of California, Santa Barbara ("University") is hereby requesting response(s) to this Request for Qualifications ("RFQ") from qualified structural engineering firms with relevant experience and expertise in providing structural design peer review engineering services for the UC Santa Barbara San Benito Student Housing Project. Qualified firms will have knowledge of the UC Seismic Policies and prior experience as a UC peer reviewer on a Residential Housing development. While it is anticipated that funding will be obtained, there is no assurance that funds will be received for the anticipated projects. Selection of the consultant(s) will follow the University of California qualifications-based selection procedures. The selection criteria for this project will be detailed in the Request for Qualifications.

General Instructions: Consultants with relevant professional qualifications and experience are encouraged to respond. A copy of the Request for Qualifications will be available for viewing and/or download on the UCSB planroom site on April 5, 2024 at: www.ucsbplanroom.com/jobs/rfq (click on "RFQs" and the appropriate project link to download the RFQ documents). *Should you have difficulty downloading the documents please contact Greg Moore at (805) 893-3298.*

SOQ Deadline: One (1) digital copy (.pdf) of each consultant team's SOQ package must be delivered to UCSB by 4:00 p.m. on **April 16, 2024** via either: (i) the UCSB planroom page at www.ucsbplanroom.com/jobs/rfq (click the project link and the 'Submit Bid' tab then drag and drop your firm's SOQ submittal) or, alternatively, (ii) an electronic (.pdf) copy on a thumb drive may be delivered to the following physical address:

Attn: Greg Moore, Associate Director
Contracting Services Department
University of California, Santa Barbara
6789 Navigator Way, 2nd Floor
Goleta, CA 93117

Equal Opportunity Statement: Each candidate firm will be required to show evidence of its equal employment opportunity policy. Every effort will be made to ensure that all persons shall have equal access to contracts and other business opportunities with the University, regardless of: race; color; religion; sex; age; ancestry; national origin; sexual orientation; physical or mental disability; veteran's status; medical condition; genetic information; marital status; gender identity; pregnancy; service in the uniformed services; or citizenship within the limits imposed by law or University's policy.

Julie Hendricks, AIA
Campus Architect & Director, Design and Construction Services

For questions related to this RFQ, please contact: Telli Foster, University Representative, Design and Construction Services (805) 448-1379.
