Subject to conditions prescribed by the University of California, Santa Barbara, sealed bids for a Lump Sum Contract are invited for the following Work:

Project Name: Santa Cruz Island Container Home Site Work (REBID)

Project No.: FM240057SR/986000

Description of Work: Provide all labor, materials, equipment, tools, transportation, insurance, and logistical services to support (Phase 1) site work associated with the construction of two (2) prefabricated container homes that will serve as staff accommodations at the University's field station site on Santa Cruz Island. Contractor shall provide the following (Phase 1) services: construction of container home foundations, sitework/grading, septic tank and leach field. Trade work includes earthwork, underground utilities (gas, electric, water, fire suppression) concrete, steel/rebar, and septic system in preparation for *future* Phase 2 installation and build out of the container homes that will be addressed under a separate competitive bid process for the installation of the container homes, tie-in to utilities, and fit out of the two (2), two-bedroom, two-bathroom, insulated, factory-fabricated container residences.

The contractor's personnel will travel to Santa Cruz Island via boat and then travel overland to the construction site. The successful Contractor will be provided limited access to field station dorms, which include a kitchen (food not provided), bathrooms and sleeping accommodations at no cost to Contractor.

Estimated Construction Cost (Phase 1): \$565,800 (Estimate does not include Phase 2 work or shipping container costs.)

Construction Documents: Construction Documents will be available to Bidders on **May 8, 2024, 2024** via electronic download from the University's online planroom at www.ucsbplanroom.com/jobs/public. Once registered on the UCSB planroom site, prospective bidders may view and/or download the Bidding Documents for free. It is the sole responsibility of prime contractors to register at www.ucsbplanroom.com/jobs/public in order to be able to receive and view project updates, notifications, addenda, and full versions of the construction documents. The prime contractors are responsible to update their user profile on the University's planroom site, including relevant contact information.

Interested parties may also purchase a hard set copy from Tri-Co Reprographics for a non-refundable fee of the actual cost of reproduction. Arrangements for payment and receipt of all hard copy sets should be made directly with Tri-Co Reprographics at:
