RFQ Number: FM240480

Project Name: UCSB San Benito Student Housing Commissioning Services

Introduction & Background: The University of California, Santa Barbara (“University”) requests a written response, for Qualifications (“RFQ”) from qualified firms in the area of design phase commissioning services and construction commissioning of major disciplines. At a minimum, interested firms should have expertise in analytics-driven commissioning in HVAC, lighting, and plumbing systems. Firms will be required to have prior work history on UC residential housing developments or equivalent.

The complete RFQ will be available on the project page at www.ucsbplanroom.com/rfq on May 30, 2024. A shortlist of firms will be determined by a University screening committee, and final consultant evaluations and selection recommendations developed by a University selection committee.

The deadline for SOQ submittals is 4:00PM on **June 18, 2024**. Interested firms shall provide One (1) digital copy (.pdf) of each consultant team’s SOQ package must be delivered prior to the stated deadline via either: (i) the UCSB planroom page at www.ucsbplanroom.com/jobs/rfq (click the project link and the ‘Submit Bid’ tab then drag and drop your firm’s SOQ submittal) or, alternatively, (ii) an electronic (.pdf) copy on a thumb drive may be delivered to the following address:

Attn: Greg Moore, Associate Director
Contracting Services Department
University of California, Santa Barbara
6789 Navigator Way, 2nd Floor
Goleta, CA 93117

Each candidate firm will be required to show evidence of its equal employment opportunity policy. Every effort will be made to ensure that all persons shall have equal access to contracts and other business opportunities with the University, regardless of: race; color; religion; sex; age; ancestry; national origin; sexual orientation; physical or mental disability; veteran’s status; medical condition; genetic information; marital status; gender identity; pregnancy; service in the uniformed services; or citizenship within the limits imposed by law or University’s policy.

Julie Hendricks, AIA

Campus Architect & Director, Design and Construction Services
