RFQ Number: FM240437

Project Name: UCSB San Benito Student Housing Geotechnical Services

Introduction & Background: The University of California, Santa Barbara ("University") requests a written response to Request for Qualifications ("RFQ") No. FM240437 from qualified geotechnical engineering firms with relevant experience and expertise in providing geotechnical design review and support services. The subject services shall be provided in support of the UC Santa Barbara San Benito Student Housing Project. Qualified firms will have knowledge of the UC Seismic Policies, area fault lines, expertise in supporting a design process, peer review experience, and acting as the geotechnical engineering expert and advisor on comparable projects.

From contract initiation, the selected Geotechnical Engineer (or "Consultant") will engage in a strong partnership with the University, designers and University-hired CMAR contractor. The successful Consultant will suggest proven strategies with a problem-solving approach and unwavering commitment to construction efficiencies and best practices. The Consultant will provide dedicated resources and expertise towards assisting the design team with studies, modeling, and general knowledge surrounding our project site conditions, as needed, and will serve as a reviewer of appropriate design concepts, site conditions, fault studies, and geotechnical findings.

General Instructions: Consultants with relevant professional qualifications and experience are encouraged to respond. A copy of the RFQ documents will be available for viewing and/or download on the UCSB plan room site on April 30, 2024 at: www.ucsbplanroom.com/rfq (click on "RFQs" and the appropriate project link to download the RFQ documents).

SOQ Deadline: One (1) digital copy (.pdf) of each consultant team's SOQ package must be delivered to UCSB by 4:00 p.m. on **May 14, 2024** via either: (i) the UCSB plan room page at www.ucsbplanroom.com/jobs/rfq (click the project link and the 'Submit Bid' tab then drag and drop your firm's SOQ submittal) or, alternatively, (ii) an electronic (.pdf) copy on a thumb drive may be delivered to the following physical address:

Attn: Greg Moore, Associate Director, Contracting Services
University of California, Santa Barbara
6789 Navigator Way, 2nd Floor
Goleta, CA 93117

Equal Opportunity Statement: Each candidate firm will be required to show evidence of its equal employment opportunity policy. Every effort will be made to ensure that all persons shall have equal access to contracts and other business opportunities with the University, regardless of: race; color; religion; sex; age; ancestry; national origin; sexual orientation; physical or mental disability; veteran's status; medical condition; genetic information; marital status; gender identity; pregnancy; service in the uniformed services; or citizenship within the limits imposed by law or University's policy.

For questions related to this RFQ, please contact:

Telli Foster, University Representative, Design and Construction Services, at (805) 448-1379.
