RFQ Number: FM250315

Project Name: UCSB Baseball & Softball Facilities Master Plan Project

Project Description: Statements of Qualifications submittals are hereby solicited by the University of California, Santa Barbara (“University”) from design professionals and firms with relevant experience and expertise in providing the services described herein. The selected consultant will provide design services associated with the Baseball & Softball Facilities Master Plan Project (the “Project”), as more fully described in this Request for Qualifications (“RFQ”) No. FM250315.

The Project includes planning for Caesar Uyesaka Stadium and the Campus Diamond on the Main Campus of the University of California, Santa Barbara. The Intercollegiate Athletics Department wants to prepare a Master Plan that assesses the condition of its current facilities and programming needs and develops a comprehensive program of improvements that serve the baseball and softball programs.

Scope of Services: Stage 1 of the Project includes an evaluation of existing facilities and programming needs, preparation of conceptual plans for improvements in the Master Plan area, cost estimates and a phasing plan. Services include, but are not limited to the following:

- Assessment of all program needs, based on observation of the existing facilities and consultation with stakeholders including Athletics, Campus Planning, Facilities Maintenance, and others.
- Conceptual blocking plans or diagrams for potential capital improvement projects to satisfy program needs within the Master Plan area
- Cost estimates for individual project elements
- Establish priorities and phasing options to serve as basis for fundraising efforts
- Propose a Phase 1 of improvements for the current \$15 million donor gift
- Fundraising collateral

The scope of professional services will result in preparation of a Master Plan under the University’s standard form Professional Services Agreement (See Exhibit B). While it is anticipated that funding will be obtained, there is no assurance that funds will be received for the project noted. Selection of the design professional will follow standard University procedures.

Instructions for Applicants: Qualified professionals and firms possessing relevant experience and expertise in providing design services for projects similar in scale, size and scope are encouraged to respond to this RFQ. The Request for Qualifications document will be made available on **March 18, 2025** on the University’s online planroom page located at www.ucsbplanroom.com. (click “RFQs” on the planroom home page and find the project title).

SOO Deadline: An electronic copy of your firm's SOQ submittal in .pdf format must be returned to the University no later than 4:00 p.m. on **April 3, 2025** either: (i) via email the UCSB planroom page at www.ucsbplanroom.com/rfq; or, alternatively, (ii) an electronic (.pdf) copy may be delivered to the following physical address on a thumb drive:

Greg Moore, Associate Director
Contracting Services
University of California, Santa Barbara
6789 Navigator Way, 2nd Floor
Goleta, CA 93117

Equal Opportunity Statement: Each candidate firm will be required to show evidence of its equal employment opportunity policy. Every effort will be made to ensure that all persons shall have equal access to contracts and other business opportunities with the University, regardless of: race; color; religion; sex; age; ancestry; national origin; sexual orientation; physical or mental disability; veteran's status; medical condition; genetic information; marital status; gender identity; pregnancy; service in the uniformed services; or citizenship within the limits imposed by law or University's policy.

Julie Hendricks, AIA

Campus Architect & Director, Design and Construction Services
