Subject to conditions prescribed by the University of California, Santa Barbara, sealed bids for a Lump Sum Contract are invited for the following Work:

Project Name: Engineering II Room 1245 Fan Coil Units, Bldg. 503

Project No.: FM260091B

Description of Work: Contractor shall provide labor, materials, equipment, tools transportation, insurance, and services to replace the cooling coils and heating coils serving rooms 1245B and 1245C in the first floor of the UCSB Engineering II Building No. 503. Work to be performed in an area with sensitive equipment. Contractor to use care when working on coils. Fire sprinklers, lights, or other obstructions to be removed and replaced or relocated to accomplish the work. Areas are to be left clean and free of debris upon completion at the end of each day. Work is not to interrupt ongoing lab operations. If lab operations are to be interrupted, Contractor is to coordinate with the University Representative prior to starting that work.

Estimated Construction Cost: \$263,000

Construction Documents: Construction Documents will be available to Bidders on **March 6, 2026** via electronic download from the University's online planroom at www.ucsbplanroom.com/jobs/public. Once registered on the UCSB planroom site, prospective bidders may view and/or download the Bidding Documents for free. It is the sole responsibility of prime contractors to register at www.ucsbplanroom.com/jobs/public in order to be able to receive and view project updates, notifications, addenda, and full versions of the construction documents. The prime contractors are responsible to update their user profile on the University's planroom site, including relevant contact information.
