Project Name: Storke Road / El Colegio Road Improvements

Project Number: FM140441

Project Description

Qualifications are hereby solicited by the University of California, Santa Barbara ("University" or "UCSB") from qualified design professionals interested in providing engineering, design and landscape and irrigation design services for the section of Storke Road from the new intersection adjacent to the Sierra Madre Apartments project to and including the Storke/El Colegio intersection, and for El Colegio Road frontage improvements. Ideally, the selected consultant team will have performed similar work for the County of Santa Barbara and have previously worked on the design of signalized intersections in Santa Barbara County.

Scope of Services

Provide engineering design, bidding and limited construction administrative services for the design of one new signalized road intersection, existing road improvements to both Storke Road and El Colegio Road and modifications to two existing signalized intersections. Design plans must be compatible with County of Santa Barbara standards.

Instructions to Applicants
