

## ADVERTISEMENT FOR BIDS

Subject to conditions prescribed by the University of California, Santa Barbara, sealed bids for a Lump Sum Contract are invited for the following Work:

Project Name: Cabrillo Business Park, Lot 10 Storm Drain

University Project No. FM140377S/078-40

Facilities Management Building 439  
University of California, Santa Barbara  
Santa Barbara, California 93106

**DESCRIPTION OF WORK:** Remove, replace, and upsize the existing storm drain system on the north side of the range building. The north side storm drain system consists of disconnecting from the existing discharge point at Discovery Drive and rerouting to the east and discharging southeast of the building to a new infiltration basin. Minor surface drainage improvements will be constructed on the west side of the building. Those improvements will discharge into a separate storm drain system that will be routed south to a second new infiltration basin. Both infiltration basins will have chain link fencing around them with a lockable gate.

Estimated Construction Cost: \$210,335.00

Bidding Documents will be available to Bidders on May 22, 2014 at 1:30 PM via electric download from the University's online planroom at <http://ucsbplanroom.com/> . Any party may view the Bidding documents on the planroom site for free. Once registered on the UCSB planroom site, however, prospective bidders and interested parties may also download the Bidding Documents for free or, alternatively, purchase a hard copy set from CyberCopy for a non-refundable fee of the actual cost of reproduction.
