Project Name: UCen Road Realignment

Project Number: FM150487

Project Description

Qualifications are hereby solicited by the University of California, Santa Barbara (“University” or “UCSB”) from qualified design professionals interested in providing engineering, design and landscape and irrigation design services for the section of UCen Road from in front of Biological Sciences II and Anacapa Hall to in front of Psychology and Santa Rosa Hall. This project includes four (4) bike parking lots, and two (2) car parking lots. Ideally, the selected consultant team will have performed similar work for UCSB or other comparable entity.

The estimated project construction budget is in the \$1.6M to \$2M range.

The planned start date for construction services is August 2015.

Scope of Services

Provide exterior lighting/electrical design, limited planting and irrigation design, bidding and limited construction administrative services for the design of the relocation of UCen Road, 4 new bike parking lots, one new car parking lot, and the expansion of an existing parking lot. Design plans must be compatible with UCSB standards.

Instructions to Applicants

Consultant(s) with qualifications that include experience in the design of projects similar in scale and scope are encouraged to respond. A copy of the Request for Proposal form will be available on the Contracting Services website: <http://web.facilities.ucsb.edu/contracts/proposals/> (click on the subject project link and download the project documents).

If you have difficulty downloading the document please contact Jennifer Pierce at jennifer.pierce@dcs.ucsb.edu or via telephone at (805) 893-8227.

Five (5) hardcopy sets and one (1) digital copy (.pdf) of each consultant team’s Proposal must be delivered to UCSB by 2:00pm on **June 2, 2015** to the following address:
