Subject to conditions prescribed by the University, sealed bids for a Lump Sum Contract are invited for the following Work:

Project Name: Broida Hall Room 1310 Lab Renovation, Bldg. 572

Project No: FM180437S/987932

Description of Work: Provide all labor, materials, equipment, tools, transportation, insurance, and services for the above-mentioned project, including but not limited to the following:

The Work includes an interior renovation of 1,232 square feet of the University's Broida Hall building in rooms 1302 and 1310. These improvements enhance the capability of the existing laboratory space to house laboratory equipment used in optics experiments, and provide a dedicated office space for use by researchers. Work in the mechanical core of Broida Hall includes adding a mechanical platform to support current and future laboratory equipment and infrastructure, as well as additional lab equipment and infrastructure between the catwalk and mechanical core wall and penetrations between the renovated lab and core.

Estimated Construction Cost: \$415,000

Construction Documents: Construction Documents will be available to the invited bidders on **August 2, 2018** via electronic download on the University's online planroom site at <http://ucsbplanroom.com/>. Once registered on the UCSB planroom site, prospective bidders may view and/or download Construction/Bidding Documents for free.

NOTE: It is the sole responsibility of prime contractors to register at <http://ucsbplanroom.com/> in order to be able to receive and view project updates, addenda, and full versions of the construction documents. The prime contractors are responsible to update their user profile on the University's planroom site, in order to receive ongoing project updates and notifications.
