RFQ Number: FM200127

Project Name: Artificial Flume at Devereux, Bldg. 7950

Project Description: Statements of Qualifications submittals are hereby solicited by the University of California, Santa Barbara ("University") from design professionals and firms with relevant experience and expertise in providing the services described herein. The selected consultant will provide design services associated with the Artificial Flume at Devereux, Bldg. 7950 project ("Project"), as more fully described in this Request for Qualifications ("RFQ") No. FM200127.

The Project includes the renovation of the existing "butler" building 7950 (3,800 SF) located in the West Campus area of the University of California, Santa Barbara, and work to accommodate a state-of-the-art 15 meter artificial flume with capability to recirculate water and sediment. The Project includes interior improvements, a single occupancy restroom, a new office, added plumbing, electrical, mechanical, and fire alarm systems, modifications to the site for ADA compliance, and new exterior fencing. The building occupancy will change from S to B.

Estimated Construction Cost: The overall construction budget is approximately \$763,336.

Scope of Services: PMSM provided initial design services for the Project, and has completed 30% Construction Documents for the Project. Under the terms of this RFQ, the firm selected under the terms of this RFQ will be asked to *complete the work developed by PMSM to date*, including the completion of 100% Construction Documents, bid support, and construction administration services. The anticipated value of the services described above is approximately **\$50,000**. Note, PMSM will likely be among the design firms competing for this work.

Instructions for Applicants: Qualified professionals and firms possessing relevant experience and expertise in providing design services for projects similar in scale, size and scope are encouraged to respond to this RFQ. The Request for Qualifications document will be made available on September 10, 2019 on the University's online planroom page located at www.ucsbplanroom.com. (click "RFQs" on the left side of the planroom home page and find the project title).

Contact Information: For additional project information contact the University Representative, Jennifer Pierce, at (805) 451-1680 or jennifer.pierce@ucsb.edu.

SOO Deadline: An electronic copy of your firm's SOQ submittal in .pdf format must be returned to the University no later than 4:00 p.m. on September 25, 2019 either: (i) via email to greg.moore@ucsb.edu; or, alternatively, (ii) an electronic (.pdf) copy may be delivered to the following physical address on a thumb drive:

Greg Moore, Associate Director
Facilities Management Bldg. 439, Door 'E'
University of California, Santa Barbara
Santa Barbara, CA 93106-1030

Affirmative Action Statement: Each candidate firm will be required to show evidence of its equal employment opportunity policy. Every effort will be made to ensure that all persons shall have equal access to contracts and other business opportunities with the University, regardless of: race; color; religion; sex; age; ancestry; national origin; sexual orientation; physical or mental disability; veteran's status; medical condition; genetic information; marital status; gender identity; pregnancy; service in the uniformed services; or citizenship within the limits imposed by law or University's policy.
