

ADVERTISEMENT FOR BIDS

Subject to conditions prescribed by the University of California, Santa Barbara, sealed bids for a Lump Sum Contract are invited for the following Work:

Project Name: Chemistry Air Handler Unit Replacement, Bldg. 557

Project No.: FM200166S/103-00

Summary of Work: As described more fully in the Construction Documents, provide all labor, materials, equipment, tools, transportation, insurance, and services to replace three (3) University-Furnished/Contractor-Installed ("UFCI") air handler units and provide all associated control valves, piping and roof curbs at the Chemistry Building 557 on the University of California, Santa Barbara campus.

Estimated Construction Cost: \$300,000

Construction Documents: Construction Documents will be made available on October 15, 2019, and will be issued via the University's online planroom at www.ucsbplanroom.com. Once registered on the UCSB planroom website, prospective bidders may view and/or download the Construction Documents for free.

NOTE: It is the sole responsibility of prime contractors to register at www.ucsbplanroom.com in order to be able to receive and view project updates, addenda, and full versions of the construction documents. The prime contractors are responsible to update their user profile on the University's planroom site, in order to receive ongoing project updates and notifications.

As an alternative, interested parties may purchase a hard set copy from CyberCopy for a non-refundable fee of the actual cost of reproduction. Arrangements for payment and receipt of all hard copy sets should be made directly with CyberCopy.:

Santa Barbara, California 93106-1030

General Information:

Bidders are NOT required to provide Bid Security as part of their respective bid submittals for this particular solicitation.

The successful Bidder will be required to have the following California current and active contractor's license at the time of submission of its Bid:

Boiler Hot Water Heating & Steam Fitting Contractor
License Type

C-4
License Code

or

Warm-Air Heating, Ventilation & A/C Contractor
License Type

C-20
License Code

Every effort will be made to ensure that all persons shall have equal access to contracts and other business opportunities with the University within the limits imposed by law or University's policy. Each Bidder may be required to show evidence of its equal employment opportunity policy.

The successful Bidder and its subcontractors will be required to follow the nondiscrimination requirements set forth in the Bidding Documents and to pay prevailing wage at the location of the work.

The work described in the contract is a public work subject to section 1771 of the California Labor Code. No contractor or subcontractor may be listed on a Bid for this project unless registered with the Department of Industrial Relations ("DIR") pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].
