Subject to conditions prescribed by the University of California, Santa Barbara responses to the University's Level 1 prequalification documents for a Lump Sum Contractor (Best Value Selection) are sought from prospective bidders for the following University Project:

PROJECT NAME: San Clemente Villages Student Housing Renovation – Phase II

PROJECT NUMBER: FM200352P

PREQUALIFICATION OF PROSPECTIVE BIDDERS

The University has determined that bidders who submit a bid on this project must be prequalified. Prequalified bidders will be required to have the following active and current California contractor's license at the time of its submittal:

B – (General Building Contractor)

SUMMARY OF WORK

The successful bidder shall provide all labor, materials, equipment, tools, transportation, insurance and services to renovate graduate student housing apartments located at San Clemente Villages on the UCSB campus. The 3-story student apartments are a mixture of four-bedroom, two-bedroom, studio, and loft apartment types. The project includes 203 apartment units, several common areas throughout the complex, and a housing office for a total of approximately 175,000 total assignable square feet.

The work shall include interior refurbishment, the removal and replacement of flooring, kitchen countertops, cabinetry modifications and repairs, toilet and bath accessories, appliances, minor plumbing, plumbing fixtures, shower enclosure repair, light fixtures, light switches, life safety repairs, door and window hardware repair, removal and replacement of window treatments, a complete interior re-paint, exterior window cleaning and pressure washing of hardscape, and the reconfiguration and renovation of an office space within the complex.

The renovation project shall commence on July 2, 2020 and be completed no later than September 11, 2020. Time is of the essence with regard to the project schedule and final completion.

Estimated construction cost: \$7,200,000

PREQUALIFICATION SCHEDULE

On February 28, 2020, the Level 1 Prequalification Documents will be made available online at www.ucsbplanroom.com/jobs/public. Firms with qualifications that include experience in the construction of projects similar in type, size, and scope are encouraged to respond.

Level 1 Prequalification Documents may not be accepted from prospective bidders after 4:00PM. However, the University reserves the right to request, receive, and evaluate supplemental information after the above time and date at its sole discretion. The University reserves the right to reject any or all responses to Prequalification Documents and to waive non-material irregularities in any response received. Bids will only be accepted from those prospective bidders that pass the Level 1 Prequalification.

If a prospective bidder is deemed “not prequalified” by the University, the prospective bidder may request a review by the University. Any such request must be received by the University within three (3) calendar days after receipt by the prospective bidder of the University determination. The decision resulting from such review is final and is not appealable within the University of California. Any person or entity not satisfied with the outcome of the prequalification must file a writ challenging the outcome within ten (10) calendar days from the date of the University’s written notice regarding prequalification determination. Any assertion that the outcome of the prequalification process was improper will not be grounds for a bid protest.
