Subject to conditions prescribed by the University of California, Santa Barbara, sealed bids for a Job Order Contract are invited for the following work:

PROJECT NAME: Job Order Contract - Paving

Project Number: FM090373-JOC

PREQUALIFICATION OF PROSPECTIVE BIDDERS

The University had determined that bidders who submit bids on this project must be prequalified. Prequalified bidders will be required to have the following California contractor' license:

<u>A</u> LICENSE CLASSIFICATION		<u>General Engineering</u> LICENSE CODE
	OR	
<u>C-12</u> LICENSE CLASSIFICATION		<u>Earthwork and Paving</u> LICENSE CODE

DESCRIPTION OF WORK: Demolition, grading and paving of parking lots and adjacent roads, sidewalks, bike paths, ADA requirements, drainage devices, parking appurtenances and placement of slurry seals. Work will be to support UCSB Transportation and Parking, and Housing and Residential Services. Not construed to be an exclusive contract. University reserves right to perform or bid any of the services covered by this Contract.

PREQUALIFICATION PROCEDURES:

Prequalification Documents will be available on April 29, 2009 at 2:00PM on our website <http://facilities.ucsb.edu/contracts/bid/> under the project name. Prequalification Documents will also be available and included with the Bidding Documents distributed at the mandatory job walk.

On Thursday, May 14, 2009 completed prequalification documents will be received at:

UNIVERSITY OF CALIFORNIA, SANTA BARBARA
Campus Design & Facilities
Contracting Services
Facilities Management, Building #439
Door #E, Reception Counter
Santa Barbara, California 93106-1030

No prequalification documents will be accepted after 2:30PM. However, the University reserves the right to request, receive, and evaluate supplemental information after the above time and date at its sole determination. Bidders will be notified whether or not they are prequalified. The results will be posted on our website <http://facilities.ucsb.edu/contracts/bid/> under the project name.

Prequalification of prospective bidders will be determined by the application of a pre-established rating system (Pass-Fail) to the following information to be submitted by prospective bidders:

1. California Contractor's License
2. Construction experience, including self performance of work

A bidder who passes will be allowed to submit bids for the project.

The evaluation is solely for the purpose of determining, in a timely manner, bidders who are deemed qualified for the successful performance of the type of work included in this project. The contract will be awarded to the prequalified bidder submitting the lowest responsive bid.

The University reserves the right to reject any or all responses to the Prequalification Questionnaires and any or all bids and to waive non-material irregularities in any response or bid received.

PROCEDURES: Bidding Documents will be available to Bidders on Monday, May 11, 2009 at 10:00AM, and will be issued at the mandatory job walk. Additional bidding Documents will be available at:
