NOTICE REGARDING LEVEL 2 PREQUALIFIED BIDDERS

January 15, 2013

Subject: Notice Regarding Level 2 Prequalified Bidders
Project Name: Sierra Madre Apartments
Project No.: FM130001L/986265

Prospective Bidder:

This correspondence is intended to formally notify the firms listed below that they are prequalified to competitively bid the above referenced project. If your firm is listed in the table below, both an 'Announcement to Prequalified Bidders' and an 'Advertisement for Bids' describing the next steps in the bidding process will be issued to your firm directly, and the University looks forward to your firm's participation in the Best Value Selection/Bidding Phase of the competitive process.

Table with 3 columns: Firm Name, Firm Location, Level 2 Prequalified. Rows include C.W. Driver, Sundt Construction, ProWest Constructors, Kitchell, and Morley Builders.

If your firm is not listed among the firms in the above table, then the University would like to express its sincere appreciation to your firm for its participation in the prequalification process. The University understands the time and effort involved in developing a response to solicitations of this type and appreciates your team's efforts. Unfortunately, and after careful evaluation, your firm was not prequalified under the Level 2 Prequalification Evaluation by the University Review Panel, therefore, your firm will not be allowed to submit a bid.

If a prospective bidder is determined by the University not to be prequalified, the prospective bidder can request a review by the University. Any such request must be received by the University within three (3) calendar days after receipt by the prospective bidder of the University determination. The decision resulting from such review is final and is not appealable within the University of California. Any person or entity not satisfied with the outcome of the prequalification must file a writ challenging the outcome within ten (10) calendar days from the date of the University's written notice regarding prequalification determination. Any assertion that the outcome of the prequalification process was improper will not be ground for a bid protest.

Should you have any questions or comments, please feel free to contact the University's Representative, Ron Strahl, at (805) 893-8674 or via electronic mail at ron.strahl@dcs.ucsb.edu.

Sincerely,

Greg Moore
Associate Director, Contracting Services
