

REQUEST FOR BIDS

Date: August 4, 2026

To: Prospective Supplier(s):

Sealed Bids are requested to be submitted to The Regents of the University of California ("University") on or before **August 14, 2026 at 2:30 p.m.** (the "Bid Deadline") for the provision of the specified materials and/or equipment and in accordance with the enclosed RFB Documents.

RFB NUMBER: FM270006UF

PROJECT NAME: Campbell Hall Terminal and Package Unit Equipment

DESCRIPTION OF THE WORK: The successful bidder/supplier shall provide one (1) Energy Labs, Model C64118-FC-L Custom Multi-Zone Air Handling unit, or equal, and associated DX coils intended for a knockdown installation at the University of California, Santa Barbara ("University") Campbell Hall Building. The equipment shall be delivered to the site on the University's main campus and staged in a University-designated laydown area. Supplier bids shall include its standard warranty. The University PO will be assigned to a University-hired installation contractor. Supplier may be asked, for an additional cost not included in its based bid, to provide a supplier representative to inspect equipment installation and to train University's maintenance personnel on the proper operation and maintenance of the equipment.

RFB DOCUMENTS. RFB Documents will be available to Bidders on August 4, 2026 via electric download from the University's online planroom at www.ucsbplanroom.com. Once registered on the UCSB planroom site, prospective bidders may view and/or download the documents for free. In order to access the documents, go to the planroom site, click "Public Jobs" below the Menu bar on the left side of the page and click the project link.

COST ESTIMATE: The estimated cost for the specified equipment, inclusive of (7.75%) sales tax, delivery and all applicable direct and indirect charges and/or fees, is approximately **\$598,000**.

JOB WALK & UNIVERSITY CONTACT INFO: A Job Walk is not required as a prerequisite to submitting a bid, however, interested bidders may schedule a site visit with the University Representative upon request. For further information or questions regarding this RFB please contact University Representative, **Perrin Pellegrin**, at (805) 570-7429 or perrin@ucsb.edu.

COMMUNICATIONS: Please make requests for clarification or interpretation of the Bidding Documents only to the University Representative at the above email address. Bids must be submitted on the enclosed Bid Form. Bids may be withdrawn prior to the Bid Deadline. University may waive non-material irregularities or may reject any or all Bids.

AWARD/ASSIGNMENT OF PURCHASE ORDER: University will determine the lowest responsive Bidder on the basis of the sum of the Lump Sum Base Bid and any extended unit prices, if any. The AHU equipment being purchased directly by the University as "University-Furnished" construction equipment that will be installed by others (installation contractor). The firm offering the lowest responsive bid will be awarded a UC Purchase Order agreement that may be assigned to the installation contractor using the attached PO Assignment Agreement (see Exhibit 5).

Every effort will be made to ensure that all persons have equal access to contracts and other business opportunities with the University within the limits imposed by law or University policy.

Please visit the UCSB plan room at www.ucsbplanroom.com
