

CAMPUS DESIGN & FACILITIES

CONTRACTING SERVICES

Harder Stadium Turf & Irrigation  
Project & Contract Number: FM100280S/987752  
**Selection of Prequalified Bidders**

On March 31, 2010, Contractor Prequalification Documents were received from three (3) respondents for the above-mentioned project. The University evaluation committee has had the opportunity to review and evaluate the Qualifications based on a pass/fail rating system. Prospective Contractors that affirmatively responded (i.e. answered YES to all questions) contained in the questionnaire, submitted all required information and supporting data, and were determined to have accurately responded to the questions were prequalified.

The University determined that following firm is prequalified:

Athletic Field Specialists Inc.  
3094 East Shauna Drive  
Highland, CA 92346  
Ph: 909/917-1075  
Fax: 909/426-2648

An Announcement to Prequalified Bidders' will be issued outlining the bid requirements and schedule. A tremendous effort was put forward by everyone who submitted the Prequalification Documentation requested.
