QUALIFICATION QUESTIONNAIRE – Addendum 3

As used herein, the term “entity” means the prospective Contractor submitting this Qualification Questionnaire regardless of whether the entity is an individual company, joint venture, or partnership. Please note that the term “prospective Contractor” may sometimes be used interchangeably with the term “entity” or “bidder”.

Each prospective Contractor must have a current and active California contractor's license at the time of the qualification and must submit this Qualification Questionnaire with all portions completed, including any required attachments.

QUALIFICATION DECLARATION

I, _______________________________ (Printed Name)

hereby declare that I am the _______________________________ (Title)
of _______________________________ (Name of Entity)

submitting this Qualification Questionnaire; that I am duly authorized to sign this Qualification Questionnaire on behalf of the above named entity; and that all information set forth in this Qualification Questionnaire and all attachments hereto are, to the best of my knowledge, true, accurate and complete as of its submission date.

The undersigned declares under penalty of perjury that all of the qualification information submitted with this form is true and correct and that this declaration was executed in:

_____ (County), California, on _____ (Date).

(E-mail Address)
Each prospective Contractor must answer all of the following questions and provide all requested information. Any prospective Contractor failing to do so will be deemed to be not responsive and not qualified with respect to this qualification. Prospective Contractors that affirmatively respond (i.e. answer YES) to all questions, submit all required information and supporting data, and are determined to have accurately responded to the questions will be qualified.

The Project Data Sheets must be fully completed, but answering "NO" to a question contained solely in a Project Data Sheet (other than those questions that refer specifically to the Construction Experience required for a comparable project) shall not necessarily result in failure to achieve qualification status. Only those Contractors that have been determined to be qualified and to have been determined to be responsible contractors will be eligible to submit a bid for this Project. In addition, prospective Contractor must list accurate names and telephone numbers of applicable contact references. If University is unable, after reasonable efforts, to confirm the past project information submitted by prospective Contractor, said project will not be accepted as a qualifying project.

All information submitted for prequalification evaluation will be considered official information acquired in confidence, and the University will maintain its confidentiality to the extent permitted by law.

WHERE NECESSARY, COPY THE FORMS IN THIS PACKAGE. USE ONLY THESE FORMS.

NOTE: Where a time period is given, such as the last five (5 years), the period is to be measured backwards from the date this qualification questionnaire is required to be submitted.
