I ADVERTISEMENT

Item No.

1. Advertisement for Bids: Replace in its entirety with Revised Advertisement for Bids per Addendum 2, 2 pages attached.

II SUPPLEMENTARY INSTRUCTIONS TO BIDDERS

Item No.

1. Supplementary Instructions to Bidders, second page "7. Instructions to Bidders (Article 3 – Bidder’s Representations)”: Change to read in its entirety

"7. INSTRUCTIONS TO BIDDERS (ARTICLE 2 - "BIDDING DOCUMENTS"): Amend paragraph 2.1.5 to read as follows:

Bidder has read and shall abide the nondiscrimination requirements contained in the Bidding Documents and shall pay prevailing wage rates. A copy of the general prevailing per diem wage rates will be on file at University’s principal Facility office and will be made available to any interested party upon request.

INSTRUCTIONS TO BIDDERS (ARTICLE 3 - "BIDDING DOCUMENTS"): Amend paragraph 3.4.1 to read as follows:
Each Bidder shall list in the Bid Form all first-tier Subcontractors that will perform work, labor or render such services as defined in Article 9 of the Bid Form. The Bid Form contains spaces for the following information when listing Subcontractors: (1) portion of the Work; (2) name of Subcontractor; (3) city of Subcontractor's business location; and (4) License No. of Subcontractor. Failure to list, on the Bid Form, any one of the first three (3) items set forth above will result in the University treating the Bid as if no Subcontractor was listed for the Work Activity and Bidder will thereby represent to University that Bidder agrees that it is fully qualified to perform that portion of the Work and shall perform that Work."

III SUPPLEMENTARY CONDITIONS

Item No.
1. Supplementary Conditions, third page “12. Modifications of General Conditions, Article 14 – Statutory Requirements Change to read in its entirety

Additionally, Contractor shall comply and shall ensure that all Subcontractors comply with Labor Code Sections 1811 and 1815.

Any questions regarding the payment of prevailing wages, or enforcement thereof, should be directed to the University Representative.”

14.4 "PAYROLL RECORDS," revise paragraph 14.4.2 to read as follows:

14.4.2 Contractor and all Subcontractors shall keep an accurate payroll record, showing the name, address, social security number, job classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyworker, apprentice, worker, or other employee employed in connection with the Work. All payroll records shall be verified as true and correct by Contractor or Subcontractors keeping such records by a written declaration that is made under penalty of perjury, stating (1) that the information contained in the certified payroll and (2) the employer has complied with the requirements of sections 1771, 1811, and 1815 for any work performed by his or her employees on the public works project. The payroll records shall be available for inspection at all reasonable hours at the principal office of Contractor on the following basis:

3. A certified copy of all payroll records shall be made available upon request by the public for inspection or copies thereof made; provided, however, that the request by the public shall be made to either University, the Division of Apprenticeship Standards, or the Division of Labor Standards Enforcement. The public shall not be given access to such records at the principal offices of Contractor or Subcontractor. Any copy of the records made available for inspection as copies and furnished upon request to the public or any public agency by University shall be marked or obliterated in such a manner as to prevent disclosure of an individual’s name, address, and social security number. Each certified copy shall contain a statement of compliance by Contractor or Subcontractors keeping such records signed under penalty of perjury stating (1) that the information contained in the certified payroll is true and correct and (2) the employer has complied with the requirements of sections 1771, 1811, and 1815 for any work performed by his or her employees on the public works project.

.1 Contractor and every Subcontractor required to submit certified payrolls and labor compliance documentation shall use the FM International Labor Compliance Program software “LCPtracker™” provided by the University. The software is a web-based system, accessed by a web browser. Contractor and each Subcontractor will be provided a Log On identification and password to access the University’s reporting system. 14.4 "PAYROLL RECORDS," add paragraph 14.4.6 to read as follows:

14.5 "APPRENTICES," Page revise paragraph 14.5.4 to read as follows:

14.5.4 When Contractor or Subcontractors employ workers in any apprenticeship craft or trade on the Work, Contractor or Subcontractor shall apply to the joint apprenticeship committee, which administers the apprenticeship standards of the craft or trade in the area of the Project site, for a certificate approving Contractor or Subcontractors under the apprenticeship standards for the employment and training of apprentices in the area of the Project site. The committee will issue a certificate fixing the number of apprentices or the ratio of apprentices to journeymen who shall be employed in the craft or trade on the Work. The ratio may not exceed that stipulated in the apprenticeship standards under which the joint apprenticeship committee operates; but in no case shall the ratio be less than 1 hour of apprentice work for every 5 hours journeyman work, except as permitted by law.
